

Ready to sell your practice and set your sights on retirement?

This seminar has been designed to address concerns established doctors have as they are looking to sell an existing practice. This comprehensive practice transition lecture is designed to offer you professional guidance as you consider your next step towards planning your retirement.

Topics to be discussed

- Learn step by step of the sales process
- Selling Private vs. Corporate
- Assembling your professional team
- Tax implications of a sale
- Maximizing practice value
- Buyer profiles and prequalifications
